Following the general presentation on PTO updates, events and activities, the PTO Leadership Team is proud to host Leslie O'Brien from Moms Demand Action as she delivers a BeSMART presentation focused on responsible gun ownership. Come join us and learn about the BeSMART framework, which helps parents and adults normalize conversations about gun safety and take responsible actions that can prevent child gun deaths and injuries.

Class Basket Donations for May Fair Auction

Our biggest event of the year is right around the corner!
The **May Fair Carnival Buffaloes Under the Big Top is Saturday, May 2nd**,
and like last year it will include an auction with classroom baskets.

For the auction, each classroom will select a theme
and families in that classroom will be asked to
donate items related to that theme between
March 16th – April 3rd.

More details on the auction itself will be in the April
Newsletter and on the PTO website [May Fair page](#).
