# Interested in Becoming A Business Sponsor ?

Although our school year is more than just a little unconventional, our PTO is doing their best to move forward with the Business Sponsorship program so that we can support our school AND our community in a BIG way. With so much up in the air, we know it's a bit of a leap of faith regarding exposure at actual events, but we are now offering options with more opportunities for digital exposure. Visit our Sponsorship Page for detailed info about our 2020/21 Program. Please note, a \$400 "Family Sponsorship" credit is now available to any THV family who would like to have their business sponsor at any level- including the Silver Sponsorship for just \$100. If you wish to participate in the 2020/21 program, please email [ThunderVistaFundraising@gmail.com](mailto:ThunderVistaFundraising@gmail.com) to receive the promo code to unlock the Family Sponsor credit. Become a Business Sponsor or share this information with our community.
